

CPD GURUKUL

CPD on Respiratory Inflammation & Evidence-Based Management

Patna, Bihar

29th November 2025

Welcome Letter

Dear Doctor,

Warm greetings from **CPD Gurukul**.

We are delighted to invite you to our upcoming **Continuing Professional Development (CPD)** program titled "**Inflamed Airways, Informed Decisions**", scheduled on **29th November 2025** at Patna, Bihar.

This focused CPD will bring together **consulting physicians, pulmonologists, general practitioners, and internal medicine specialists** for an interactive academic session on **understanding, identifying, and managing lower airway inflammation**.

The session aims to translate current clinical evidence and guideline updates into **real-world decision-making** that improves outcomes in patients with acute and chronic airway diseases such as bronchitis, COPD, and asthma.

Set in an engaging peer-learning environment, this CPD combines **scientific depth with daily clinical relevance**, ensuring every participant leaves with clarity, confidence, and practical takeaways.

What Sets This CPD Apart

- Real-World Clinical Focus
- Interactive Learning
- Guideline- Driven Updates
- Clinical Confidence

Academic Highlights

- Understanding the Mechanisms: Pathophysiology of airway inflammation and mucosal hypersensitivity.
- Diagnosis Simplified: Recognizing inflammatory patterns, biomarkers, and imaging cues.
- Therapeutic Spectrum: Rational antibiotic, anti-inflammatory, and mucolytic use.
- Patient-Centered Management: Lifestyle modification, adherence, and step-wise therapy review.
- Case-Based Learning: Real-world examples of chronic bronchitis and recurrent exacerbations.

Wellness & Participation Inclusions

- Stay at Patna resort
- Two lunches, high tea, and dinner
- Resort leisure and family access
- Networking and peer discussions

Warm regards,

Dr. Sunil Pandey
Director – Medical Affairs

Why attend?

- Gain actionable insights into airway inflammation and management.
- Learn evidence-aligned pharmacologic and non-drug approaches.
- Participate in peer-driven case discussions and decision mapping.
- Strengthen confidence in managing acute and chronic respiratory cases.
- Build professional networks in an academic yet relaxed setting.

Agenda

Time	Session
7:00 - 7:10 PM	Welcome Note
7:10 - 7:40 PM	Inflamed Airways: Pathophysiology & Diagnosis
7:40 - 8:10 PM	Evidence-Based Therapy: Balancing Antibiotic & Anti-Inflammatory Use
8:10 - 8:40 PM	Case-Based Discussion & Interactive Q&A
8:40 PM onwards	Dinner & Networking

CPD Significance

This CPD emphasizes rational, evidence-based management of airway inflammation and infection in primary and secondary care.

Key Significance Points

- **Clinical Relevance:** Translating inflammatory science into daily respiratory care.
- **Therapeutic Clarity:** Judicious antibiotic and anti-inflammatory use.
- **Peer Learning:** Shared experiences from varied clinical backgrounds.
- **Clinical Confidence:** Strengthened protocol-driven practice.

Limited Seats – Book Early!

Registrations will be accepted on a **first-come, first-served basis**. Early registration ensures accommodation and participation privileges.

Registration Fees

Category	Up to 15 th November, 2025	Spot
Delegate	INR 4,000 inclusive of GST	INR 5,000 inclusive of GST
Student	INR 2,500 inclusive of GST	INR 3,500 inclusive of GST

Enriched Experience

- Full CPD registration and stay
- Access to all academic sessions and materials
- Curated dining and leisure experiences
- Networking with peers and faculty

Come for the learning. Stay for the experience.

About CPD Gurukul

CPD Gurukul is a dedicated educational platform driving excellence in **Continuing Professional Development (CPD)** for healthcare professionals across India.

By integrating **evidence-based clinical learning** with skill-building in **leadership, communication, and practice improvement**, CPD Gurukul ensures that doctors grow not just in medical knowledge but also in overall professional competence required for today's dynamic clinical environment.

Our initiatives include:

- CME sessions focused on practical clinical relevance.
- Expert faculty engagement and advisory board inputs.
- Knowledge-sharing forums designed to encourage peer learning.
- Partnerships with medical associations, hospitals, and academic institutions.

Each activity is designed to improve patient care, strengthen physician identity, and elevate clinical excellence.

CPD Gurukul is more than a platform, it is a **commitment to developing doctors** who can lead, influence, and innovate responsibly.
